Dear St Clair County Constitution Party:

In accordance with Section 18.03.9 of the policy manual of the State Board of Elections, our agency is terminating St Clair County Constitution Party as an active political committee. The Campaign Disclosure Division is authorized to administratively terminate a political committee in which

1. The Campaign Disclosure Division has been unable to locate,
2. The Campaign Disclosure Division has determined to be inactive,
3. Has not responded to Board initiated correspondence for a minimum of 12 months, and
4. Had a closing balance on its last filed report of less than \$10,000.00.

An outstanding fine in the amount of \$1825 for failure to timely file required reports will remain in force for a period of 24 months from the date of termination. Please note that any successor committee to a terminated committee will also be liable for the outstanding penalty. A successor committee is defined by rule as a committee that is composed of one or more of the same officers or for the same purpose or for the support of candidacy of the same person, irrespective of office, as the terminated committee. Additionally, this committee owes \$10000 for failure to file required reports. These fines do not abate and will remain due and owing until paid.

The above listed committee has been deemed inactive by the Campaign Disclosure Division and termination has been approved by the Executive Director of the State Board of Elections. This letter will serve as notice of official administrative termination.

If you have any questions, please feel free to contact our office at 217-782-4141.

Sincerely,
